**PLAY FOR JAKE**

The Play for Jake Foundation is  
dedicated to raising awareness and  
educating both parents and youth  
about the dangers of undetected  
heart conditions.

Our goal is to prevent sudden  
cardiac arrest among our youth  
by providing screening and  
protection programs for middle  
and high schools to ensure  
children have access to routine  
heart screenings. Your support  
helps make this possible.
