# ABATE INDIANA

Promoting Safety | Protecting Rights  
Helping Others | Having Fun

"The Voice of Indiana Motorcyclists"

## What is ABATE of Indiana?

ABATE of Indiana is a non-profit, safety, educational, charitable, and advocacy motorcyclist organization (we are not a club). Our purpose is to promote safety, protect rights, and help others. We're a statewide membership based organization dedicated to promoting, protecting, and preserving motorcycling. ABATE is open to everyone, regardless of your motorcycle preference or ownership.

## What does ABATE do?

- ★ Represents the best interests of Indiana motorcyclists in state, local, and federal government.
- ★ Conduct motorcycle riding classes to help promote safe and responsible riding.
- ★ Hold fun-filled fundraising rides and other events across the state.
- ★ Help local community organizations through our ABATE Bikers Care program.
- ★ Promote a positive image of motorcycling and the motorcycle community.

Teaching Indiana motorcyclists  
for over 4 decades

"The Voice of Indiana Motorcyclists"

## Motorcycle Safety Division

Learn to ride from the people who have been conducting courses for over 40 years and trained more than 140,000 riders.

Our Basic Riding Skills (BRS) course is intended to help individuals acquire the basic knowledge and skills needed for safe and responsible motorcycle operation. Upon successful completion of the class, students can get their motorcycle endorsement from the Indiana Bureau of Motor Vehicles.

**The course will help students:** Learn the mental skills for safe motorcycling, understand the risks associated with motorcycling, identify and develop strategies to manage that risk, and understand how their decisions affect their ability to ride safely. They will also gain the physical skills for safe motorcycling by developing the basic skills needed to ride in a straight line, shift, turn, and stop the motorcycle. Improve cornering and braking techniques as students practice braking and swerving skills needed for emergencies.

**Our goal is to help students be successful and safe.** We encourage students to ask questions. Our instructors help them discover the answers, as they concentrate on developing their skills and strategies -- the first steps to riding safely!

Dirt Bike School

**ABATE**  
INDIANA

Off-road training for all ages

"The Voice of Indiana Motorcyclists"

## **ABATE of Indiana Dirt Bike School**

ABATE of Indiana's dirt bike school is designed for motorcycle riders ages 6 and up who wish to learn the basics of off-road riding. This one-day, hands-on class is a fun way to get your entire family ready for fun on the trails in a safe and responsible manner.

The Dirt Bike School curriculum was developed by the Motorcycle Safety Foundation and has been used to prepare peace officers and military personnel in the safe operation of off-road motorcycles for years.

Riders spend the entire time performing hands-on training on the motorcycles at the end of the class, students should have an understanding of the techniques necessary to stay safe, act responsibly and have fun while riding off-road motorcycles.

Since children as young as six years of age can enroll, the Dirt Bike School provides an opportunity for the entire family to participate in this exciting learning experience.

Most students prefer to use their own equipment, however loaner motorcycles and gear may be available.

Family-friendly trail riding for  
motorcycle and ATV/UTVs only

# Lawrence County Recreational Park, Inc.

lcrptrails.com

Our scenic trails are designed for all riders. If you're new to the sport, try your skills on the novice route. They're just challenging enough to entertain, but not too intimidating. However, if you are up for a challenge, our expert trails will test your abilities and provide the thrills that brought you to the sport in the first place. Remember that adrenaline rush you got the first time you conquered that spot that no one else could?

## **What makes Lawrence County Recreational Park different from the rest?**

We don't allow trucks, sandrails, etc. on the trails — motorcycles, ATV/UTVs only — making it a great family-friendly location where you don't have to worry about being “run over.”

The park also includes a Class-A campground with electric and water hook-ups, so you can make a weekend of it!
